Select all clinical laboratories

Analysis of the entire coding region: Sequence analysis	Sequence analysis of select exons	Prenatal diagnosis	Clinical confirmation of mutations identified in a research lab
--	-----------------------------------	--------------------	---

Laboratories offering clinical testing:

Baylor College of Medicine

[Medical Genetics Laboratories](#)

Houston, TX

Christine M Eng, MD, FACMG; William E O'Brien, PhD; Lee-Jun Wong, PhD; Sau W. Cheung, PhD

Center for Human Genetics

[Bioscientia GmbH](#)

Ingelheim, Germany

Jochen Decker, MD, PhD; Daniela Steinberger, MD, PhD

[Connective Tissue Gene Tests](#)

Allentown, PA

James C Hyland, MD, PhD; Leena M Ala-Kokko, MD, PhD

[Liverpool Women's Hospital](#)

[Mersey Regional Molecular Genetics Laboratory](#)

[Liverpool, United Kingdom](#)

Roger Mountford, BSc, DipRCPATH

Radboud University Nijmegen Medical Centre

[DNA Diagnostics \(848\)](#)

Nijmegen, Netherlands

H Scheffer, PhD
